*The proposed rule....**...is New*

PROPOSED BY:

The exact wording of the proposal is:

(The deleted section, or amendments are highlighted in bold, cursive text)

Tracks should remain closed for practice, for a period one full week, immediately before a National event. Where the National is being held on the Sat 8th / Sun 9th, the track is closed all day Sat the 1st until the event. Open scheduled events are exempted from this rule. I.e., an open scheduled event on the 1st / 2nd is permitted.

Remark *In order to get the sense of the proposal please add a small remark*

This is to ensure that there is no local practice in the run up to the event, and the event weekend is a level playing field for all. If there is a scheduled warm up event, or club round which is open to all, then there is equal practice opportunity for all competitors.
